

VABILO NA SEMINAR

ESG Taxonomy

19. in 26. maj 2023

(spletni seminar, MS Teams)

Spoštovani,

obveščamo vas, da Izobraževalni center Združenja bank Slovenije organizira spletni seminar "ESG Taxonomy", ki ga bodo izvedel Deloitte Slovenija v sodelovanju z Deloitte Climate and Sustainability Italy – predavatelja ga. Abulenta Librazhdi in g. Marco Cetti. Seminar bo potekal v dveh dneh in sicer 19. in 26. maja v skupnem trajanju 8 ur. Seminar bo potekal v angleškem jeziku. Vljudno vas vabimo, da se seminarja udeležite, vsebina programa pa je predstavljena v nadaljevanju.

19. maj, 9.00 – 13.30:

EU Taxonomy regulation

- **EU Taxonomy main purpose and logics**
- **Technical screening criteria** for the 2 objectives (mitigation & adaptation) in scope and remaining 4 ones
- **Understanding the regulatory requirements for FSI and non-FSI: Eligibility 2023** requirements
- **Understanding the regulatory requirements for FSI and non-FSI: Alignment 2024** requirements

GAR and BTAR

- **GAR –detailed requirement and different approaches to assess the Green Asset Ratio** (Counterpart, Deal "use-of-proceed", Product Proxy)
- **GAR –regulatory and commercial synergies:** EU taxonomy aligned products for corporate and retail
- **BTAR -detailed requirement and different approaches to assess the Banking Book Taxonomy Alignment Ratio** (BTAR)

26. maj 9.00 – 13.30:

ESG Data Architecture with focus on Data collection

- **ESG data, a new challenge for the FSI sector: granularity & sources**
- **Data Architecture: holistic solutions to be taken into consideration to implement EU Taxonomy requirements**

Greenwashing

- **Disclosure on the Greenwashing risks and methodology**
- **The rules of a correct communication: relevance, accuracy and specificity of the reported data**

PREDSTAVITEV PREDAVATELJEV:

Marco Cetti, Deloitte Climate & Sustainability, Director, Milano

- Marco grew professionally in London in sustainability consulting in the FSI area. He mainly deals with impact financing, ESG data in the financial world, following regulatory disclosure programs (Pillar 3, Taxonomy), creation of holistic ESG data architectures and new ESG lending products
- Marco supported the development of the holistic architectural ESG data solution of a major European Banking Group, covering numerous ESG aspects (physical, transition, sustainability and taxonomy risks). The E2E solution covers the data lifecycle, from origination through internal/external sources, data processing, and its vertical use for commercial (e.g.: pricing), regulatory (e.g.: pillar 3, taxonomy), managerial (e.g.: profitability dashboard)
- In recent years Marco has supported numerous financial and non-financial groups in the development of the ESG data strategy, in the integration of ESG factors in the business and operational model

Abulenta Librazhdi, Deloitte Climate & Sustainability, Partner, Milano

- Partner at Deloitte Risk Advisory with more than 12 years of experience in the Financial Services sector starting her career as a Credit Risk Analyst and then as Senior Manager at Accenture
- Abulenta is part of the team in charge of investigating and working on sustainability and ESG issues in general in order to develop innovative solutions for the Network's clients
- Abulenta has deepened the implementation of the European Commission Plan and related technical standards, defining models for ESG Risk Management and the revision of operational processes for the integration of ESG issues within the structure
- Abulenta developed sustainable finance projects (green finance products, info provider analysis, SFDR, EU Taxonomy, ESMA Stress Testing, etc.)

Splošne informacije:

Seminar bo izveden v primeru, da se bo nanj prijavilo več kot 25 udeležencev. Kotizacija za udeležbo znaša 590,00 € + ddv, poravnali jo boste po prejemu računa. V kolikor se bo na seminar prijavilo 30 ali več udeležencev kotizacija znaša 560,00 € + ddv, v primeru 35 ali več udeležencev 530,00 € + ddv in v primeru 40 ali več udeležencev 490,00 € + ddv.

Za 5 ali več udeležencev iz iste institucije priznamo 10 % popust. Udeleženci srečanja do gradiva in potrdil o udeležbi dostopajo na svojem [profilu](#), če še nimate profila, pa z [registracijo](#) v sistem Izobraževalnega centra Združenja bank Slovenije

Prijava:

Na seminar se prijavite preko [prijavnice](#) na spletni strani [Združenja bank Slovenije](#) do 5. maja. Morebitne odjave sprejemamo prav tako do 5. maja pisno na ic@zbs-giz.si, sicer se zaračuna celotna kotizacija.

Povezava na srečanje:

Na dogodek se boste vključili preko povezave, ki jo boste dan pred dogodkom prejeli na e-naslov, s katerim ste prijavljeni na seminar. Registracija v MS Teams bo odprta od 8.30 ure dalje na dan dogodka.

Za dodatne informacije smo vam z veseljem na voljo v Izobraževalnem centru Združenja bank Slovenije na ic@zbs-giz.si. Veseli bomo vaše udeležbe na seminarju, ki smo ga oblikovali skladno z izraženim interesom članic ZBS vezano na aktualnost tematike.

Vljudno vabljeni.

S spoštovanjem,

Matej Krumberger l.r.
Vodja Izobraževalnega centra ZBS

mag. Stanislava Zadavec Capriolo l.r.
